Plan	Term cash USD	Inferred effective commission factor	Gross commission principal USD	Commission paid USD	Base fee due USD	Base fee paid USD	Unpaid base fee USD	Expenses incurred USD	Expenses paid USD	Unpaid expenses USD	Other principal USD	Calculated principal USD	Finance forecast USD	Variance USD	Source / method
A	$582,000.00	5.00%	$29,100.00	$16,000.00	$20,000.00	$20,000.00	$0.00	$0.00	$0.00	$0.00	$0.00	$13,100.00	$13,100.00	$0.00	Term cash and commissions paid: Records.pdf pp.5-6. Four $5,000 base-fee payments: Records.pdf p.2; $20,000 fee terms: Agreement.pdf p.2. Expenses and other principal: Records.pdf pp.1-2. Early termination acceleration: Agreement.pdf p.4, Section 4F. 5% factor is implied by (forecast principal + commissions paid) / term cash; not an express rate in Agreement.pdf Section 3C. Forecast control: Records.pdf p.3, Finance forecast, Plan A.
B	$747,000.00	5.00%	$37,350.00	$19,500.00	$20,000.00	$20,000.00	$0.00	$0.00	$0.00	$0.00	$0.00	$17,850.00	$17,850.00	$0.00	Term cash and commissions paid: Records.pdf pp.5-6. Four $5,000 base-fee payments: Records.pdf p.2; $20,000 fee terms: Agreement.pdf p.2. Expenses and other principal: Records.pdf pp.1-2. Early termination acceleration: Agreement.pdf p.4, Section 4F. 5% factor is implied by (forecast principal + commissions paid) / term cash; not an express rate in Agreement.pdf Section 3C. Forecast control: Records.pdf p.3, Finance forecast, Plan B.
C	$673,000.00	5.00%	$33,650.00	$16,800.00	$20,000.00	$20,000.00	$0.00	$0.00	$0.00	$0.00	$0.00	$16,850.00	$16,850.00	$0.00	Term cash and commissions paid: Records.pdf pp.5-6. Four $5,000 base-fee payments: Records.pdf p.2; $20,000 fee terms: Agreement.pdf p.2. Expenses and other principal: Records.pdf pp.1-2. Early termination acceleration: Agreement.pdf p.4, Section 4F. 5% factor is implied by (forecast principal + commissions paid) / term cash; not an express rate in Agreement.pdf Section 3C. Forecast control: Records.pdf p.3, Finance forecast, Plan C.

Calculation note	Term cash = sum of the two Sponsorships term-cash amounts. Gross commission principal = term cash x 5% effective factor. where 5% is the

Contract note Agreement.pdf p.3, Section 3C states commission is on term revenue and earned upon acceptance; p.3, Section 3D addresses commission payment timing; p.4, Section 4F accelerates unpaid Base Fees, Commissions and Expenses upon early termination. The Finance forecast is the controlling supplied amount; the 5% effective factor is a reconciliation, not a separately stated contract rate.
